What is the
Museums for All
Program?

Museums for All Program

an initiative of the
Institute of Museum and Library Services

[Museums for All](#)

If you currently have an EBT card, you are eligible for free or discounted admission to **over 1,200** museums nationwide through the [Museums for All Program](#).

Museums for All removes the financial barrier for low-income families and encourages individuals of all backgrounds to visit museums regularly and build lifelong museum habits.

The program includes a variety of museums — including art, history, natural history/anthropology, and general museums, children's museums, science centers, planetariums, nature centers, historic houses/sites, zoos, aquariums, botanical gardens, and arboretums.

Who is eligible for Museums for All?

Although the program is targeted at Food Stamps and EBT Cardholders, many locations allow EBT cards from other programs, including:

- WIC EBT Card
- EBT Card from TANF
- EBT Card from Cash Assistance
- P-EBT Card

Participating locations provide reduced-price admission, ranging from free to \$3.00, for visitors with an eligible SNAP EBT Card.

The discounted rate is available during all normal operating hours to up to four individuals per EBT card.
